- 1 New replacement picnic table was offered for £200 by T Warrington and agreed by all that we should purchase it and have it in place as soon as possible.
- 2 The Chairman outlined the proposed repositioning of the gates and opening up of the access. A plan had been drawn up and it had been submitted to TDC for approval by the secretary. This was considered by the TDC contact to be routine and no planning permission as such was needed. A reply is awaited.
Attention was drawn to the permanent puddle which causes distress to neighbour and needs to be filled in.
- 3 A new sign was needed for the gate – to re-affirm the opening and closing times. (Winter 8.00am to 4.00pm Summer 8.00am to 8.00pm (Times are approximate). Also to state 'No dogs allowed' and signed by both FPA and FPC. [Action: TW]
- 4 The committee acknowledged the help of C Heckman and M Stokes who open and close the gates throughout the year – and in all weathers - and our appreciation recorded. Susan Bowman volunteered to stand in when Messrs Stokes and Heckman were on holiday. [Action: RJ]
- 5 It was agreed that another 'Tractor Safari' should be organised for the August bank Holiday Sunday 24 August.
- 6 It was unanimously agreed that our Chairman should be nominated to represent the committee on the Village Hall Committee.
- 7 There was no other business – and the meeting was closed.
