

## Since the launch of the Transforming Community Services consultation and engagement on 17 September 2014 we have been listening to the views of local communities on our commissioning intentions for Care Closer to Home.

We are holding three further meetings across North Devon and Torridge (for all surrounding areas) to discuss with you what we have learnt from you about Care Closer to Home since September 2014.

We need to talk about how we are going to make difficult decisions about our future community health services, including:

- Minor injuries units
- Urgent care services
- Community hospital bed numbers and the sites where they will be placed
- Prevention and wellbeing
- Community nursing and therapies teams.

If you would like to find out more about these events, please contact Makylla Isaac by telephone on 01769 575 143 or by email: [d-ccg.northernlocality@nhs.net](mailto:d-ccg.northernlocality@nhs.net)
