

NEW KERBSIDE DRY RECYCLING COLLECTIONS

13 July 2015

Resumption
in kerbside
dry recycling
collections:

Green box
Green Bag
Brown Bag

Thank You

Torridge District Council would like to thank all residents for their patience and support while we have been working to set up a new recycling collection scheme.

**The new kerbside dry recycling scheme will
commence on 13 July 2015**

New Scheme Details:

- ✓ Collects exactly the same materials as previously
- ✓ Operates the same day as previously
- ✓ Uses the same receptacles as previously

The only change is materials will not be sorted kerbside. Materials will be collected by what appears to be a refuse vehicle and will be sorted at a Materials Recovery Facility (MRF) before delivery and recycling at a reprocessor.

Please Note:

There are **no changes** to your **black bag refuse** or your **green wheelie bin (garden/food waste)** collections.
